Subject: Techno-Commercial Offer for Alphie 3

Dear Sir / Madam,

With reference to your inquiry for ***ALPHIE*** Three dimensional powder mixer, which we are manufacturing based on Inversion Kinematic Principle. We have supplied this mixer to various customer in India and abroad. Our machines are in Europe, US, Australia, Singapore, UK and other countries for various application.

We are pleased to attach our technical and commercial offer along with product leaflet, for your kind perusal. Feel free to contact us for any kind of query you have.

Thanking you,

For **Hexagon Product Development Pvt. Ltd.**

Offer No: HPDPL/ALPHIE 3/0626

A) Technical Offer

Product Description:

The motion of the ALPHIE is based on the Kinematic Inversion Principle. This is a complex, highly ordered, three dimensional motions producing mixing result that are far superior to those obtainable with conventional mixing techniques. The unusual, three dimensional mixing motions quickly and efficiently produce a homogeneous substance regardless of specific weight of the substances being mixed.

1. Principal Characteristics:

The ALPHIE – Three Dimensional Powder Mixer / Blender is used for the Homogeneous mixing of powdery substances with different specific weights and particle sizes. The product is mixed in its own closed container. It is also possible to mix wet and dry element or different wet element.

- Extremely heavy powders with very light ones - *Homogeneously*
- Minute quantities with huge volumes - *In one step*
- Pharmaceuticals - *With the highest degree of homogeneity and purity*
- Crumbly granulates - *Without excessive fines*
- Toxic materials - *In complete safety*
- Biological substances - *Without heating*

(Picture is not imperatively conform to the quotation)

Offer No: HPDPL/ALPHIE 3/0626

2. Technical Specifications:

Sr. No.	Specification	Details
01	**Gross Volume**	2.5 Ltr.
02	**Max moving mass possible**	5 Kg including container weight (Depending upon powder bulk density)
03	**Motor**	0.3 hp
04	**Power supply**	Single phase, 230 V, 50 Hz
05	**Cage Speed***	Between 10 – 80 rpm max. – Continuously variable.
06	**Container**	Container can be fastened with rubber string by using tensioning crown.
07	**Max Container size**	Dia 115mm x 275mm long
08	**Machine Overall dimension**	550 mm L x 700 mm D x 560 mm H (in operating condition).
09	**Color**	Base structure (Light Grey) – RAL 5002 Rotating Cage / Arm (Ultra Marine Blue) – RAL 7035
10	**Machine Weight**	Approx. 75 kg.
11	**Gross Weight**	100 kg (Max)
12	**Packing Box Dimension**	1000 mm L x 850 mm D x 635 mm H
13	**Website link**	https://www.alphiemixer.com/alphie-3/

- - Cage speed is number of times the cage / container comes to its original position. Its twice of shaft rpm

Offer No: HPDPL/ALPHIE/ALPHIE 3/0626

3. Machine Features:

Material of construction	: Aluminum Cage with Arm, Plain Carbon Steel powder coated base frame and bearing housings with Rolling Bearings.
Clamping device	: Nonmetallic crown with silicone rubber strings.
Speed change	: Speed can be adjusted between 10 – 80 rpm as per the mixing requirement, by using **Variable Frequency Drive**.
Safety guard	: Machine shall be provided with Plexiglas safety guard with gas strut construction for ergonomic operation
Removable Tray	: Machine shall be provided with removable tray below rotating cage to collect accidental seepage
Control Panel	: HMI Based control panel with PLC & VFD. Speed and time change facility, Forward and Reverse cycle speed provision, Inching / Jogging facility with Recipe storage, Fixed position machine stoppage.

All the bearings joints shall be with sealed bearings with lifelong lubrication.

01 Set of Operating Instruction Manual shall be provided along with the machine.

Also included access to all electronic copy of instruction manual, wiring diagram and training video via a secure web cloud at no additional cost to you using the QR code pasted on machine name plate.

Offer No: HPDPL/ALPHIE 3/0626

Commercial Offer

Sr. No.	Item description	Unit / Qty.	Unit Price (in INR)
01	Model : ***ALPHIE*** – 3 (with 01 number of 2.5 Ltr SS 316L container Free) (See Sr no 1 in below table)	01	4,04,250.00
02	Packing Wooden Box (Considering max 3 containers)	1 Box	4,900.00
03	Digital Pre-Dispatch Inspection / Installation support for 30-40 min. of your ordered machine	01 Time	2,500.00

Offer No: HPDPL/ALPHIE 3/0626

Options, Mixing Containers and Spares:

Sr. No.	Item description	Qty.	Unit Price (in INR)
01	SS 316L Container – 2.5 Ltr with Tri clover clamp and Silicone gasket	01 No.	23,500.00
02	SS 316L Container – 1 Ltr with Tri clover clamp and Silicone gasket	01 No.	18,600.00
03	SS 316L Container – 0.5 Ltr with Tri clover clamp and Silicone gasket	01 No.	14,900.00
04	SS 316L Container – 0.2 Ltr with Tri clover clamp and Silicone gasket	01 No.	13,300.00
05	2 Ltr HDPE Medical grade wide mouth bottle	01	1,500.00
06	1 Ltr HDPE Medical grade wide mouth bottle	01	1,000.00
07	0.5 Ltr HDPE Medical Grade wide mouth bottle	01	800.00
08	Additional Set of 12 Nos of rubber strings as spare	1 Set	6,000.00
09	Container sealing Gasket as spare for above containers	01 No.	200.00
10	Tri language operating panel with option of your chosen 2 more languages along with English as base language (see picture at end of this offer)	01 No	3,500.00

* We offer any other smaller size containers against customer requirement

Offer No. HPDPL/ALPHIE 3/0626

1. **Terms & Conditions:**

Prices	: Ex-works, Vadodara, Gujarat, India. GST @ 18% Extra (HSN No: 84798200)
Freight	: Extra to be paid by customer.
Payment	: 50% Advance with order, balance against proforma invoice before dispatch
Delivery	: Normally in stock or within 04 – 06 weeks from the date of receipt of your purchase order and Advance payment. Transportation time is not included in this delivery time.
Warranty	: Machines are warranted for 12 months from the date of Supply. Warranty does not cover any replacement of parts damaged due to negligence in operation, handling, accident etc; at customer's premises. The warranty will not cover wear parts. Warranty will not be applicable for damages caused by improper usage of the machine or for damages caused by irregular and improper maintenance or incorrect operation of the machine. Modification carried out on the machine without a specific written consent from Hexagon will nullify the warranty.
Design changes /	: Hexagon reserves the right to do general improvements in design and Improvements in the functioning of the machines those are considered necessary for better Machine performance and reliability of the machine, without informing customer prior to shipment.
Spare Parts	: Recommended Spares to be ordered separately with the machine.
Property reservation	: The goods shall remain our property without any restrictions, until fully paid.
Origin	: We assure that the machine is Designed and Manufactured in India only.
Validity	: This offer is valid up to 30 days.
Jurisdiction	: All contracts between purchaser and ourselves are deemed to be entered in Vadodara, Gujarat, India and are therefore subject to Jurisdiction to courts in Vadodara.

Now, we look forward to have your valued order.

Thanking you,
